

Student Evaluation of Instructor

Triton College

Date:

Name of Instructor:		
Course title:		
Date of evaluation:		
Name of student (optional)		
Overall rating	GOOD	AVERAGE
Does Instructor know subject matter?	YES	NO
Would you recommend this instructor to a friend?	YES	NO
In the list of instructor evaluation criteria to the right place an "X" in front of statements that, in your opinion, apply to the Instructor.	Prepares lesson	Relates topics presented to historic context
	Previews the presentation	Refers to real-world examples
	Presents the topic clearly	Relates topic to other fields of study
	Speaks audibly	Asks questions of students
	States learning objectives	Asks "rhetorical" questions (a question which may not always have an answer)
	Provides periodic internal summaries of topics presented	Allows ample time for completion of in-class assignment or activity
	Summarizes at end of presentation	Varies the pace of presentation
	Follows course syllabus	Encourages student discussion
	Uses assigned textbook	Praises students for contributions to discussion
	Integrates required readings into presentation	Allows student dialogue during in-class projects
	Uses assigned or required course equipment and materials	Shows understanding of subject matter
	Is "dynamic" (energetic, enthusiastic)	Respect constructive criticism
	Conveys authority	Creates an environment conducive to learning
	Listens to questions	Respects diverse points of view
	Maintains eye-contact with students	Presents several points of view
	Uses student names	Explains purpose of assignments or class activities
	Treats class members with respect	Gives attention to individual problems
	Uses gestures to enhance points	Provides demonstration of activity
	Does not use repetitive gestures	Uses actual samples of materials during presentation
	Emphasizes student note-taking	Presents topics which are appropriate to course subject
Knows when there is misunderstanding among students	Uses Power Point during presentation	
Stays on topic	Explains safety rules	
Relates current topic to overall course content	Writes and draws clearly on blackboard
