

**MyMathLab:** [www.coursecompass.com](http://www.coursecompass.com)

If you purchased the book with access to MyMathLab or the access code alone for:

Pre-algebra, Martin-Gay 5<sup>th</sup> Ed

Technical Math, Mathematics for the Trades, Carman and Saunders, 8<sup>th</sup> Ed

Algebra and Trig, Sullivan and Sullivan, 5<sup>th</sup> Ed

You will be able to use the different resources available in MyMathLab through Course Compass.

For this you need a Course Compass ID which I will now send to you through your ALEKS email.

Practice Tests

**Note:** Hand out with Registration Instructions follows down below

### Dear Student:

In this course you will be using MyMathLab – an online resource to help you assess your math skills, do homework, take tests, view tutorial videos, and more!

### What you need to begin:

- **A Student Access Kit** (packaged with a new textbook or available for purchase online with a major credit card).
- **A valid email address**
- **Your school's zip code:** \_\_\_\_\_

In addition, your instructor will provide you with:

- **A "Course ID" Number:** \_\_\_\_\_

### Student Registration:

- Enter <http://www.coursecompass.com> in your Web Browser.
- Under **Students**, click the **"Register"** button.
- Read the "Before you start" information and click **Next**.
- Enter your **Course ID** as provided by your instructor and click **Next**.
- Confirm that this is your course and click **"Register with a Student Access Code."** *If you do not have a code, click "Buy Course Access Online" and follow those steps to purchase and register.*
- Read the License Agreement and Privacy Policy and click **"I Accept."**
- Select **"No, I am a New User"** and type in your **Access Code** in the fields provided.
- Enter your **School's Zip Code**, select your **Country** and click **Next**.
- Enter your **Name** and **Email** and select **Your School**
- Create your **Login Name** and **Password**, answer the **Security Question** and click **Next**.

Once successful, you will receive a **Confirmation & Summary** screen; write down your confirmed login/password in case you forget it! A confirmation email will also be sent to you - if you use a Spam email blocker, be sure to allow emails from Pearsoned.com.

### Logging In:

- Go to <http://www.coursecompass.com> and click the **Log In** button for Students.
  - Enter the **login name** and **password** you just created and click **Log In**.
  - You will see the name of your **course** listed on the left; click that link to access your course and Announcements.
- It's a good idea to bookmark the [www.coursecompass.com](http://www.coursecompass.com) URL.

**IMPORTANT:** The first time you enter the site from your personal computer *and* anytime you use a new computer, click on the software **Installation Wizard** on the Announcements page. This wizard will walk you through installing the software that you will need to use all resources. Note: Software may already be installed on the school's lab computers; check with your lab administrator.

### Need Help?

MyMathLab allows you access to our Tutor Center at 1-888-777-0463. Visit [www.pearson tutorservices.com](http://www.pearson tutorservices.com) for hours and available services.

For technical assistance, go to [http://www.mymathlab.com/contactus\\_stu.html](http://www.mymathlab.com/contactus_stu.html) for student "getting started" information, to fill out an online request form, or to use Pearson's live "Chat" feature to talk with a member of the support team.

**We wish you success in your course!**
